

Hedland Senior High School VET Program Newsletter

Edition 5, Term 3, 2025

Congratulations!

It has been a massive year in the VET Team so far with amazing achievements from our students including many successful transitions in year 12 from school to employment. Term 4 definitely does not slow down, we are currently working hard to secure pathways for students in year 10 for SBT's, Work ready, enrolments into Pre-apps and Certificates with RTO's and Alternative Pathways to university for 2026. Yr 9 Career tasters are still running this term, so please keep your eyes out for these opportunities too.

In addition to this, a huge Congratulations goes out to Cadie Doyle, Year 12 Student, studying a Certificate II Engineering who won WA School Based Apprentice of the Year at the WA Training Awards on Friday 5th September. We would like to thank Category 5's Simone Gill and the Team at BHP Rail, in their support to assist Cadie in this achievement. We wish Cadie all the best as she travels to Darwin for the Australian Training Awards on 5th December. Good Luck Cadie!

A special mention also goes to Sienna Bennett, our Yr 12 Student studying a Certificate II in Sport and Recreation with the ToPH, who made it to the final 4 for the WA Training Awards.

Employers, RTO's and GTO's please don't forget to RSVP to our Employer Morning Tea 25th Nov.

IMPORTANT DATES

- 16th Oct Yr9 Nursing Career Taster
- 17th Oct Yr9 Individual Support Career Taster
- 23rd Oct Yr11 SBT Employer Speed Recruitment
- 24th Oct Yr9 ToPH Career Taster
- 3rd - 5th Nov Yr11 Childcare training

- 8th - 9th Dec Yr11 SBT Contract signing
- 24th - 27th Yr10 GPH 1 Marine course
- 26th Nov Yr10 Pre-app Construction commences

Welcome Jaymi!!!

We are pleased to announce we have a new staff member in our VET Team, Jaymi Ajis. Jaymi is one of our Workplace Learning Officers and will be working closely with Marine and Childcare SBT's, arranging work placements, as well as assisting parents/students with compass permissions for VET events, just to name a few.

Australian Defence Force Career Taster

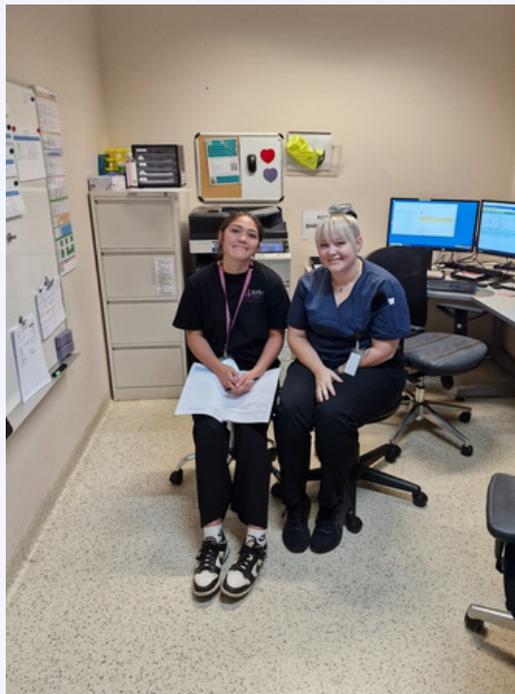

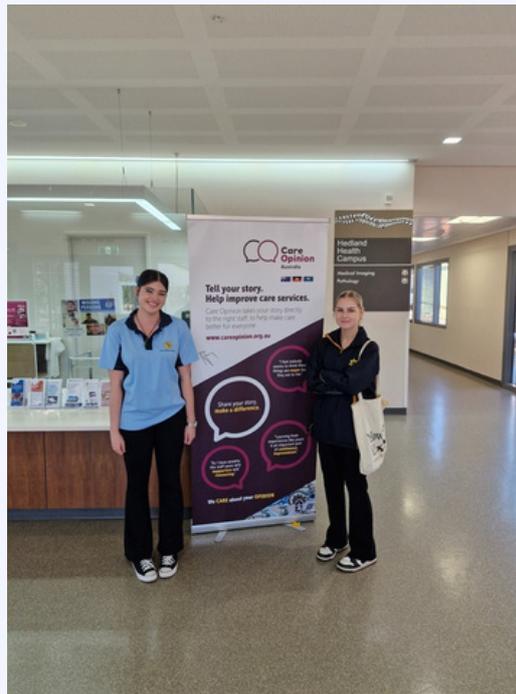

In week 4, our students had a visit from the Australian Defence Force's Mobile ADF Careers Centre (MAAC).

Students had the opportunity to ask serving ADF personnel about different roles or career paths, paid training or upskilling opportunities, and the lifestyle in the ADF.

WA Country Health Services, Hedland Health Campus Work Experience

Students in Yr 11 who are currently studying a Certificate II Community Health & wellbeing and Certificate III in Health Services Assistance had the opportunity to gain work experience at Hedland Health Campus on rotation through various departments from Kalarra house to Peadeiatrics.

We want to take this opportunity to extend our gratitude to WACHS for their support of our students and their pathways.

Year 12 School Based Trainees Farewell.

The time has come to say goodbye to the SBT group of 2025. An exceptional group of students who have demonstrated commitment, passion, drive and a desire to achieve their full potential in various workplaces in our Hedland Community.

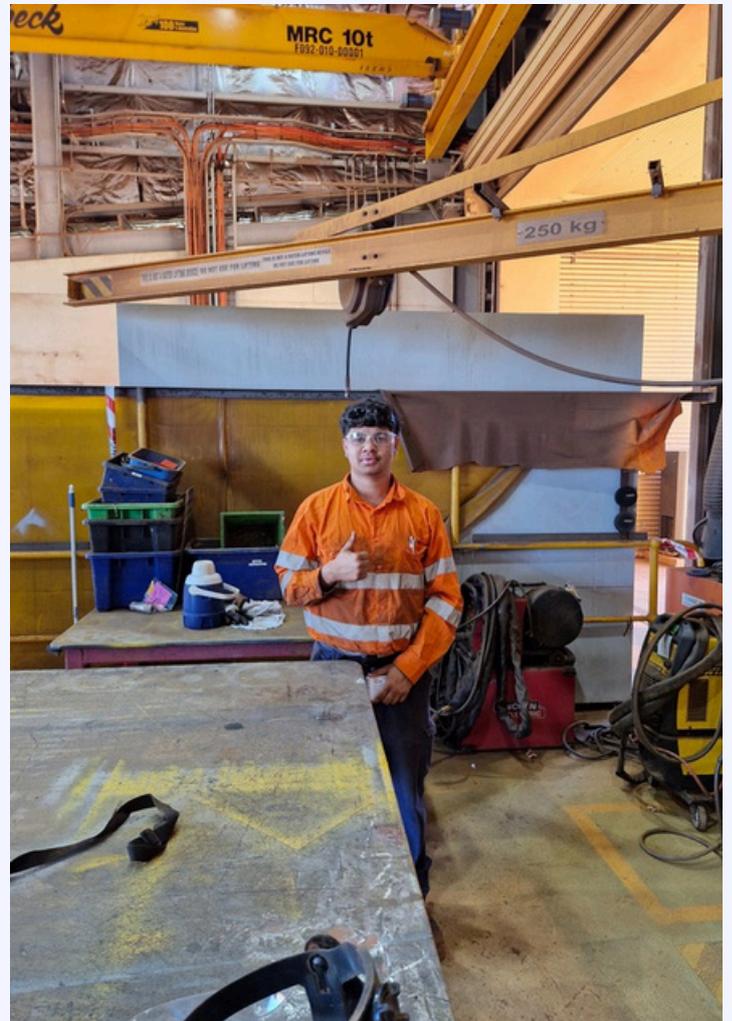

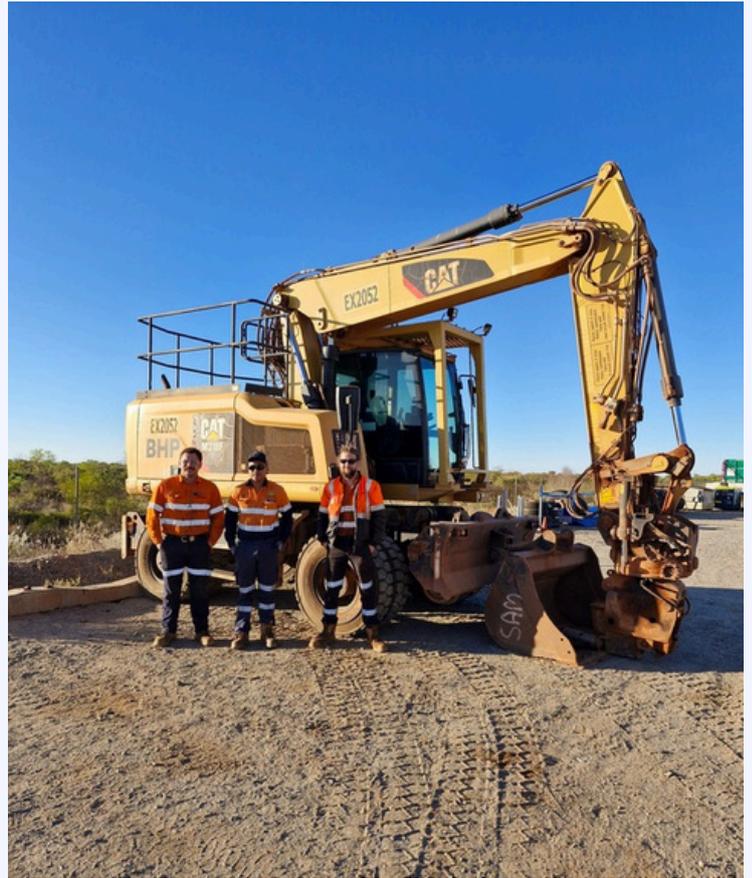

We would like to thank all the Employers, Supervisors, Programmed, Category 5 and Parents for giving your time to support our students with their successful transition post school.

We look forward to hearing the pathways these students choose to take post school, whether it be Employment, Apprenticeships, Traineeships and or Tertiary Studies.

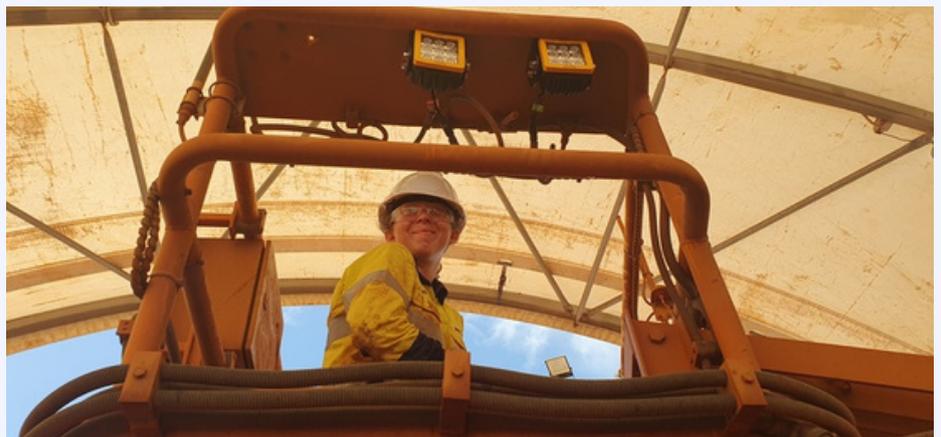

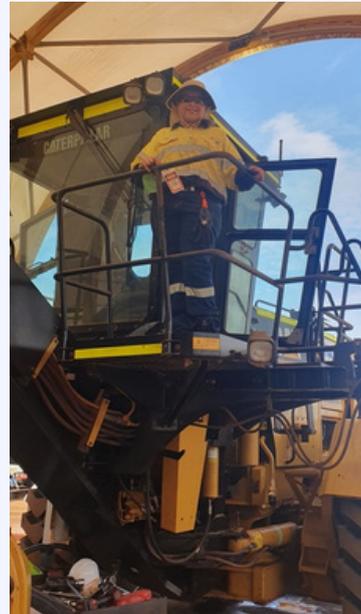

The VET Team are super Proud of you all!!!

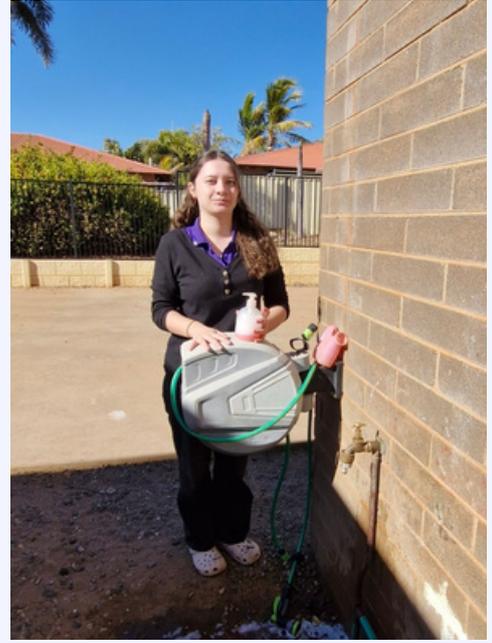

Year 12 School Based Trainees Farewell.

Year 12 School Based Trainees Farewell.

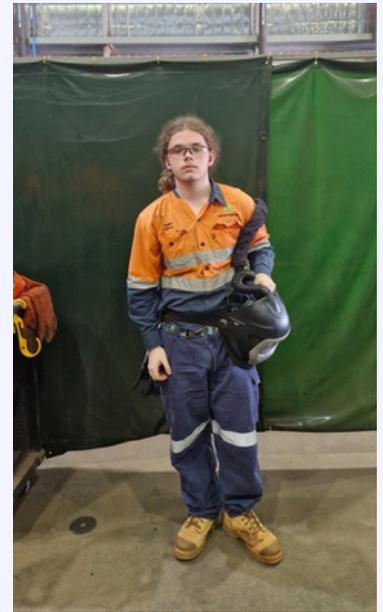

Year 12 School Based Trainees Farewell.

Year 12 School Based Trainees Farewell.

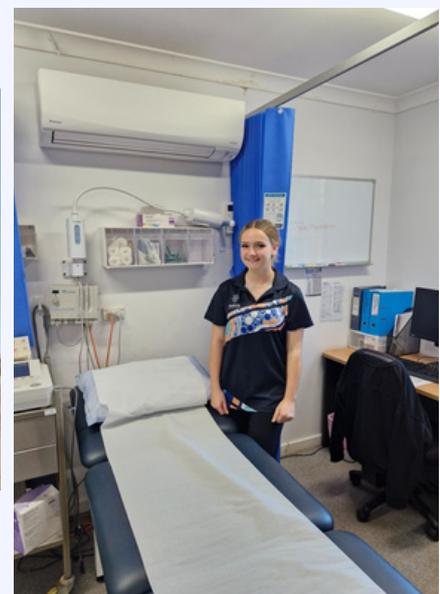

Year 12 School Based Trainees Farewell.

Year 12 Work Ready Program Farewell.

A massive congratulations to all our year 12 Work Ready students. We have found this program to be really successful over the last few years, with a majority of our students either gaining full-time work or apprenticeships. In this program, our students study a Certificate II at North Regional TAFE, as well as participate in unpaid work placements in an industry area of their choice or a workplace that aligns with their Certificate II.

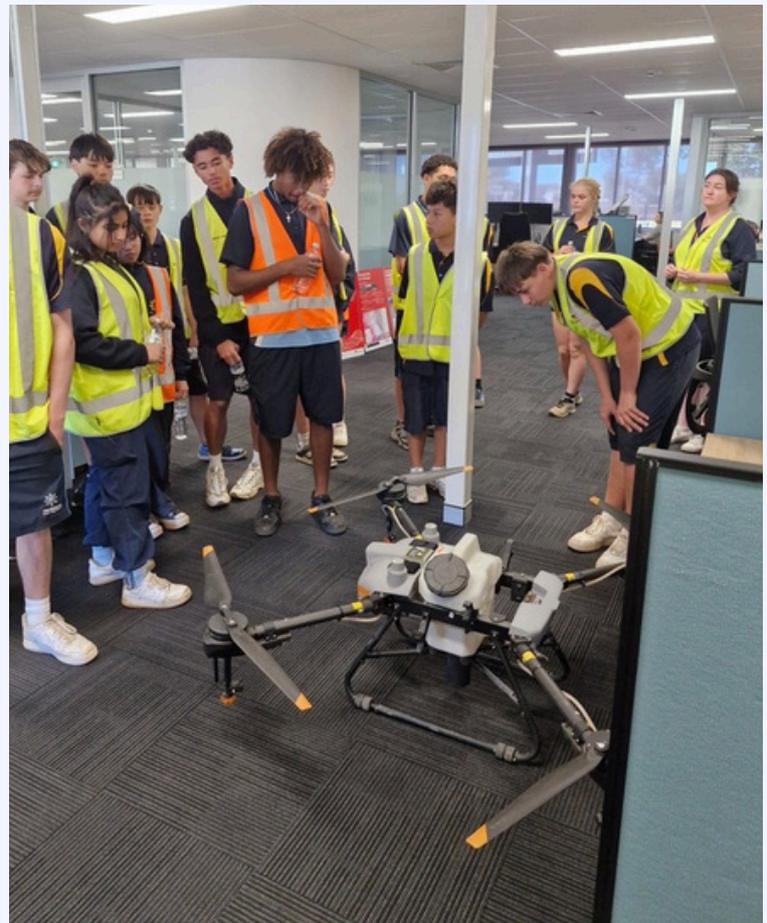

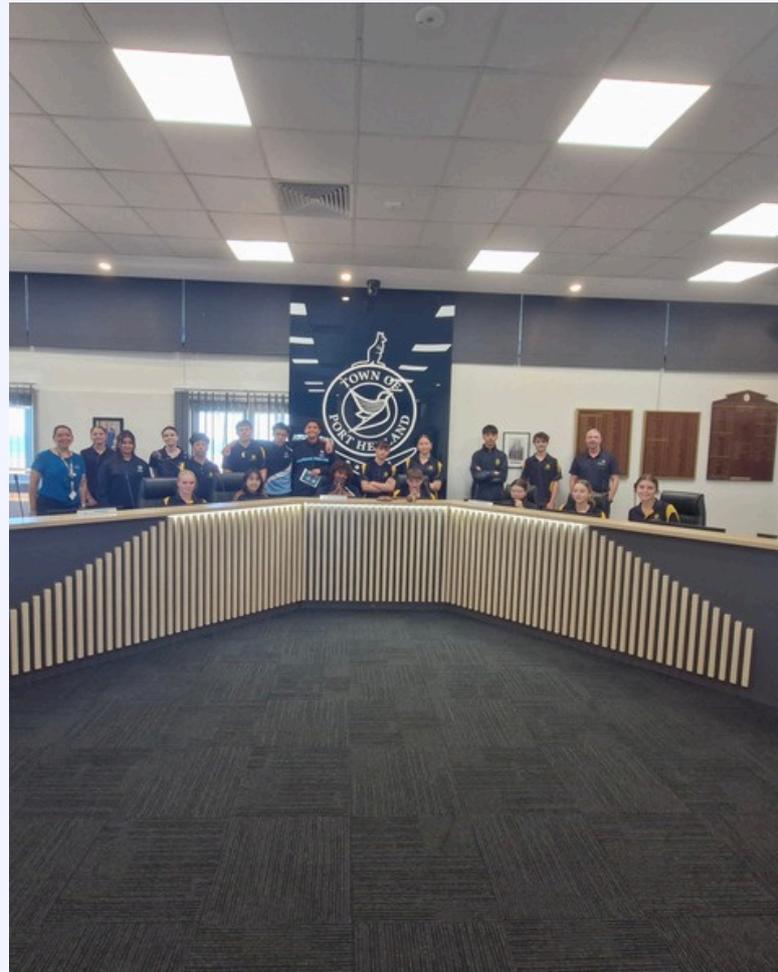

Yr 10 Town of Port Hedland Career Taster

On Friday 29th August, a group of Year 10 students spent the day visiting various Town of Port Hedland sites to gain an insight into the large range of careers available in local government.

The students started off at the Civic Centre, visiting the Council Chambers and corporate facilities, before heading to the TOPH Wedgefield Depot, Wanagkura Stadium, South Hedland Aquatic Centre, and finishing up at JD Hardie.

A huge thank you to the Town of Port Hedland for organising this exciting and unique experience for our students, and thank you to everyone in the Town who was involved on the day. We are very lucky to have so much support from our community, and we hope to provide more students with the opportunity to have these meaningful experiences in the future.

Yr 10 Town of Port Hedland Career Taster

Year 10 Try a Trade Construction at NRT

In the last week of Term 3, a handful of Yr 10 students selected to “Try a Trade” in Building and Construction at North Regional TAFE. This taster offers students the opportunity to explore various construction trades through hands-on experience. Our students participated in the Building and Construction stream. The program seeks to:

- Provide students with practical interactive trade experience through a fun, hands-on experience.
- Raise awareness of construction as a viable career option by giving students a taste of different trade areas.
- Help students make informed choices about available study options in Year 11 and 12 or after school by showcasing the exciting trade and apprenticeship career pathways available.

A “shout out” to Sue Velkoski (HSHS EA), who supported the students at NRT during the week. The student's task was to make a wooden table with bench seats attached. The great thing about this task... the student's will be able to enjoy their hard work, as they will be located in the grounds of Hedland SHS.

Industry Partners Details

New year, new you? Our 2025 Vet team has grown, and we're excited to share our updates with you—check out the next page! But first, we'd greatly appreciate it if you could take a moment to share your staffing or business updates with us. Please complete the form(s) below to help us keep our records up to date. If you're new here and feeling adventurous this year and want to register your business to support the VET TEAM and Hedland Senior High School students, simply select the second form.

Update Business Details Form 2025

Thank you for supporting Hedland Senior High School. Please use this form to update your contact details/information for 2025 so we can ensure our records are accurate.
