

2024 School Board parent representative ballot

Please take the time to read the information about our three (3) exceptional parent representative nominees. Please select your two (2) preferred nominees on the voting page below. Voting is now open and will close at 4pm on Friday 7th June. Voting slips can be emailed to nadine.youngman@education.wa.edu.au or dropped into the front office by the due date. I thank you for taking the time to be part of the ballot process.

Allan Buchan

I am nominating to join the high school board because I am deeply committed to supporting the educational community and ensuring the success and well-being of our students. My diverse background and experiences equip me with valuable perspectives that can contribute to strategic decision-making and problem-solving. Additionally, I possess strong communication skills and a collaborative approach, which are essential for fostering positive relationships and working effectively with fellow board members, school administration, teachers, students, and parents. I am passionate about advocating for educational excellence, equity, and inclusivity, and I am eager to dedicate my time and efforts to serving on the high school board to make a meaningful difference in our school district.

Henry Lockyer

I am writing to nominate myself as a Parent Representative on the Hedland Senior High School Board.

I am a local Banyjima man who lives in Hedland with my partner and kids, two of whom attend the High School (year 12 and Year 9).

It is my hope to actively contribute to achieving the schools' objectives through my involvement with the school. I am experienced in managing projects and events and developing and delivering training programs and initiatives.

I have just completed a two-year-term as a Parent Representative on the HSHS Board and if given the opportunity, wish to continue contributing to the ongoing evolution and growth of our Community's High School.

As a former student of the High School, it would be an honour to continue to positively contribute to the sustainability of the school.

Toni McMahon

I have one child attending HSHS and this will increase to two in 2025. I take an active role in their education and do what I can as volunteer to support their school community. As my children move to High School, I am also looking to transition my board support.

I am a long-term resident of South Hedland, having also attended HSHS myself so I am keen to take an active role in ensuring our high school is delivering a quality education.

Together We Achieve

Name of parent: _____

Name of children at Hedland SHS: _____

Please tick two of the following parent representatives:

- Mr Allan Buchan
- Mr Henry Lockyer
- Mrs Toni McMahon
